# THE GENEALOGIES RECORDED IN THE SACRED SCRIPTVRES, ACCORDING TO EVERY *Family* and *Tribe*.

WITH

The line of our Sauiour IESVS CHRIST obserued from ADAM to the blessed Virgin MARY.

By

*I. S.*

*CVM PRIVILEGIO.*

# To the Christian Reader.

THE Spirit of God in the sacred History, hath laid downe such helps, as are the
and vse of all Nations originals. In them the circumstances of Person, Time
Place, are the chiefe; else doe we wander as without a guide: and of the
Person is principall. Genealogies then drawne from them, from whom a
descended, and by Gods owne warrant recorded vnto vs, must moue a
1 Tim. 1. 4. reuerence that they are holy, and farre from those other against which S. Paul writes
mongst whose manifold vses, this is the chiefest, that by them is prooued how Christ wa
very man. And therefore in seuerall Tables they are heere exhibited euen from the
root, and so continued through their spreading branches, so farre as the Scripture giueth
sap. In the reading whereof, let these few directions be thy guides.

1 Such descents as hold on from the Parents to their Children, without interrup
very plaine by their double lines, which runne from rundle to rundle.

2 Those whose Parents are not certainly knowne, but are named of their Country
or Tribe, are ioined each vnder other, with this figure heere in the margent.

3 And likewise such as are set in ranke side by side, and distinguished by this mar
marke, are not to be reputed Brethren, but some other Persons of note, of that descent
they are so inserted.

a Math. 1. Luk. 3. b Deu. 18 15. c Rab. Hacadosh in his third question vpon Isa. 9. 1. d Rab Hacanas. Rab. Vla Talmud the treatise of Sanhedrin. Ch. Nigmar Had e Theodos. the Iew in Suidas on the word Jesus. f Col. 1. 15 g Heb. 1. 3

4 The names of Nations and People, (as likewise sometimes of Cities and other
of note) we haue not encompassed in rundles as the rest, but in Compartiments, and di
letters betwixt direct lines, that so they might be knowne from particular persons; a
Names next vnder them, are not inserted, as certainly thence descended, but as emina
sons among them.

5 And where of necessity we are to breake off the Succession, to be continued in so
page, that doe we at some principall Persons: as at the flood with Noahs sonnes;
Promise, with Terah and Abraham, &c. So that euer the Man at which wee brea
is againe set in the first place of some ensuing page, where his issue is continued thoug
times whole leaues fall betwixt them, which are supplied with other collaterals:
from Abraham vnto his wiues and seed, &c.

6 The lineage of our blessed Sauiour (which is our principall scope) is know
Chain-like traile, continued from Adam to Sem, and thence to Terah and Abra
&c. So likewise from Dauid, to his sonnes Solomon and Nathan. And
to our Sauiours parents, linked together (as other marriages here are) by the
ture of an hand in hand. Both descended from a Zorobabel, as the holy Euangelist
recorded: from Dauid, Iudah, and Abraham, b as Moses and the Prophets haue fo
and Iewes themselues thus farre grant, that the Messiah should be the Sonne of a
gine, her name Mary, & she of d Beth-lehem the daughter of Eli, of the house of Zorob
and Tribe of Iudah. In all which, our Christ is manifestly designed, and by these Iewes
acknowledged to haue been of the e blood-royall, and also recorded in the number of thei
in their publike Register at Jerusalem, by this Title, IESVS THE SONNE
THE LIVING GOD, AND OF THE VIRGIN MA
Thus is he Dauids Sonne, and Abrahams Heire, in whom all the kindreds of the ea
blessed, f being the very image of the inuisible God, g the brightnesse of the glory, and
ingrauen forme of his person, in whom dwelleth the fulnesse of the God-
head bodily, and vnto whom be ascribed all glory, h praise,
wisdome, thankes, power and might, for
euermore. Amen.

# A Description of CANAAN, and the bordering Countries.

THE Land of Canaan, [a] promised to the Patriarkes, [b] conquered by Ioshuah, & [c] possessed by the Israelites, was diuided into three principall Prouinces. Namely, Galile on the North, wherein [d] Christ was very cõuersant, in working the workes of his Godhead: [e] Samaria in the middest, the chiefe seat of the ten Tribes Kingdome, & Iewrie in the South, where [f] Dauids throne was set, and the Holy Citie built. The Land of Gilead also without Iordan, was [g] possessed by the Reubenites, Gadites, and halfe the Tribe of Manasses. The circuite of the whole but small, & yet did cõtain two kingdoms of great strength, and were fearefull to others, till they fell from their God. First, that of Israel, erected by [h] Ieroboam (who rent Salomons Crowne and drew after him the ten Tribes to Idolatry) was caried away captiue by [i] Shalmaneser King of the Assyrians, who placed his owne people to inhabit Samaria. The other of [k] Iudah was caried away into Babylon by Nebuchadnezzar the King, fiue hundred and seuen yeeres before the birth of our Sauiour, and fortie two yeeres after his death was made desolate by the Romans. The Land called Palestina, the City Ierusalem, Elia: and the Iewes scattered into all quarters of the Earth, of all Nations are hated for their crucifying of Christ.

Phœnicia the North part of Canaan, abounded with [a] Wheat, Hony, Oile, and Balme: wherein Asher was seated as [b] Moses had prophesied, that he should dip his foot in Oile: whose chiefe Citie was Tirus, and next vnto it Zidon: prophesied against by [c] Isaiah, [d] Ezechiel, [e] Amos, and [f] Zacharie, yet are they iustified before [g] Chorazin and Bethsaida.

Aram or Syria, vpon the North of Canaan, was conquered by [a] Dauid, but euer enemies vnto Israel: of this, Damascus was the chiefe City, against which prophesied [b] Isaiah, [c] Ieremy, and [d] Amos there [e] Paul preached, and escaped death.

The [a] Zamzummims or Giants, inhabiting part of Arabia the Stony, were thence expelled by the Amonits, who called the Countrey after the name of their Ancestor, the second son of Lot. These [b] Dauid ouercame, but they soone cast off the yoake of subiection, and were [c] euer great enemies to Iudah. Against this Land, prophesied [d] Ezechiel, [e] Ieremy, [f] Amos, and [g] Zephanie, it was afterward called Philadelphia.

Midian lying South to the Ammonites, and they both vpon the East of Canaan, tooke the name from [a] Midian, the fourth sonne of Abraham by Ketura. Thither Moses fled and kept Sheep, [b] and against them Israel was [c] commanded to fight. That Country abõuded with Dromedaries. Isa. 60. 6.

The [a] Emims possessing a part of Arabia the stonie, were subdued by the Moabites, descended from the elder sonne of Lot: and the Moabites Dauid made subiect to [b] Iudah, but in the daies of Ahabs sonne, they [c] rebelled, and as it seemeth, obtained the most part of Ruben, for that most of his chiefe Cities were in their possessions. [d] This Land was fruitfull of Vines, and was prophesied against, by [e] Isaiah, [f] Ieremy, [g] Ezechiel [h] Amos and [i] Zephany.

Edom, Idumea, or Mount Seir, a part of Arabia the stonie, on the South of Iewry, was in old time inhabited by the Horims, and subdued by the [a] Edomites. Those sonnes of Esau were themselues made subiect to [b] Dauid, but in the daies of [c] Iehoram King of Iudah, they rebelled. Against Edom prophesied [d] Isaiah,
